**REQUEST FOR CERTIFICATE OF CORRECTION**

Commissioner for Patents  
Attn: Certificate of Corrections Branch  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Assignee had requested that the title be amended via an Amendment filed on February 10, 2003. The Issue Fee paid on March 11, 2005 showed the correct title, however, the issued patent reflects the incorrect title. Therefore, Assignee is hereby filing a Certificate of Correction to correct a mistake in the above patent.

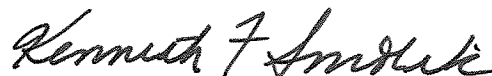

Please change the following:

The title, item 54: "System Method and Article of Manufacture for Building, Managing, and Supporting Various Components of a System" should read – **Building, Managing, and Supporting Various Components of a System --.**

Since the error was on the PTO's part, no fee is believed due. However, in the event that a fee is due, the Commissioner is authorized to debit the Certificate of Correction fee of \$100 from our Deposit Account No. 19-0733.

Respectfully submitted,

Date: September 19, 2006
